ohns Creek Recreation and Parks enriches the quality of life for the Johns Creek community by providing recreational, educational and wellness programs within facilities, parks and natural open spaces.

Johns Creek is committed to enhancing the well being of its residents and visitors through comprehensive recreation and park programs, facilities, and services. The Recreation & Parks Division maintains over 200 acres of parkland and nature reserve. In addition to the city's four main parks, the city has acquired land for three small parks and two new large parks and wants your help in planning for the development of these future parks.

Programming includes activities and sports for youth and people of all ages, ability and backgrounds.

We encourage you to take a stroll, join a class, catch an outdoor concert, learn a little more about the history of our area, and just take some time to enjoy one of our most important assets, our parks.

NEWTOWN DREAM DOG PARK

The Newtown Dream Dog Park has 2-acres of artificial turf, sprinklers for dogs to play in, obstacles to play on, plus water fountains for pets. It's a popular destination for dog lovers across Metro Atlanta and considered one of the top dog parks in the country.

NEWTOWN PARK AMPHITHEATER

The Newtown Park Amphitheater provides a delightful venue for special events and summer concerts. The 10,600 square-foot open-air amphitheater offers up to 400 seats under cover, and another 1,000 seats on its terraced grass surroundings.

NEWTOWN PARK COMMUNITY CLUBHOUSE

The Newtown Park Community Clubhouse can be rented to host meetings and small social gatherings. It's equipped with one ADA restroom, a small kitchen, a meeting room that is approximately 28ftX28ft, and five 6-foot tables and fifty chairs. Max occupancy is 75. A minimum of two hours is required.

NEWTOWN COMMUNITY GARDEN

The 41-plot Community Garden is located inside Newtown Park and contains 35, 4'x8' raised beds, 4 tall planting tables and 2 beds that are handicap accessible. The garden is managed by the Johns Creek Garden Association.

JOHNS CREEK VETERANS MEMORIAL WALK

The Johns Creek Veterans Memorial Walk, inside Newtown Park, serves as a place for visitors to reflect on the sacrifice of those who served in the military and as a location for patriotic events in Johns Creek.

FACILITY RENTALS

Interested in renting a park facility? The City offers pavilions, tennis courts and the Newtown Park Community Clubhouse for rental use.

For more info, visit the Rec1 page on the City website, www.johnscreekga.gov

Autrey Mill Nature Preserve

9770 Autrey Mill Road

Forty-six forested acres, with over 2 miles of walking trails winding past a scenic creek. Facilities include several historical buildings, replica Native American dwellings, and live animal displays. It's a popular location for scouting activities.

Newtown Park

3150 Old Alabama Road

Fifty-two acre park with 3 softball / baseball fields, 3 multi-purpose athletic fields, 6 tennis courts, 2 outdoor basketball courts, a 2-mile multi-use path, 13 picnic pavilions, Dream Dog Park, Newtown Park Amphitheater, Veterans Memorial Walk, community garden, 2 playgrounds and a small lake. Park Place at Newtown School and the Newtown Community Clubhouse are located in the park.

Ocee Park

10900 Buice Road

Thirty-seven acre park with 8 lighted softball/baseball fields, 4 picnic pavilions, 2 playgrounds, 2 tennis courts, 2 sand volleyball courts, 2 outdoor basketball courts and a 1/2 mile walking/jogging track.

Shakerag Park

10945 Rogers Circle

Sixty-six acre park with a lake (3.8 acres), playground, 3 picnic shelters, quarter-mile jogging track, 3 large multi-purpose athletic fields and 2 miles of nature trails.

RECREATION & PARK STRATEGIC PLAN

The Johns Creek City Council adopted the Recreation and Parks Strategic Plan at the March 28 City Council Meeting. The Strategic Plan prioritizes improvements to existing parks and programs and provides suggested improvements to enhance the recreation and parks system.

The Strategic Plan is a reflection of a community-driven planning process that included interviews, surveys, community meetings, and social media interactions. More than 1,500 individuals participated in the planning process.

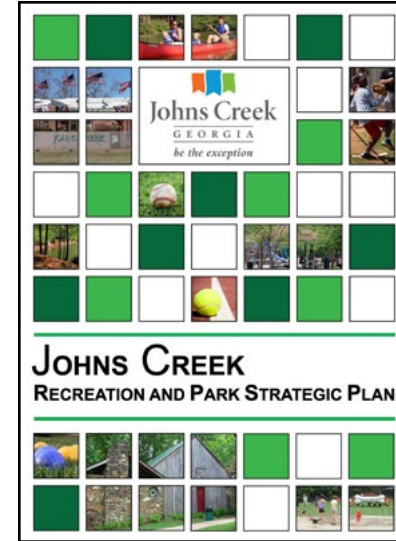

The plan forwards an overall mission of ensuring a complete recreation and parks system that aligns to the goals and needs of the community. Efforts to fulfill this over arching mission are discussed as six goals:

1. Acquire Land
2. Develop New Parks
3. Utilize the Chattahoochee River
4. Create Significant Loop Trails
5. Provide a Wider Array of Programs
6. Improve Existing Parks

The Strategic Plan's final chapter – *Recommended Implementation* includes key actions forwarding each of the goals and the priorities/time frames for building out different parks, recreational greenways and trails, operating costs, and programming.

Although the city is energized from people who helped create the Strategic Plan, further input is needed from the community as we implement the plan. Some of the upcoming input opportunities relate to the programming and time frames for development of new parks.

You can download a copy of the Recreation and Park Strategic Plan from the city's website, www.johnscreekga.gov.

NEW CITY POCKET PARKS

In addition to the city's four main parks, the city has acquired land for three small neighborhood serving parks also known as pocket parks. The city wants your help in planning for the development of these future parks.

Morton Road Park: a 4-acre property on the north side of Morton Road between Abberly Cove and Morton Chase Drive. Addressed at 4860 Morton Road.

State Bridge Park: 4-acre property on the southwest side of State Bridge Road, south of Morton Bridge Lane and Windsor Park Drive. Addressed at 10610 State Bridge Road.

Bell-Boles Park: 2-acre property just north of the Bell Road – Boles Road roundabout. Addressed at 10575 Bell Road.

Morton Road Park

State Bridge Park

Bells-Boles Park

NEW LARGE PARKS

The Recreation and Parks Strategic Plan's top priority and top recommendation is the acquisition of additional park land. The City Council have acquired two key properties for future community parks.

CAULEY CREEK PARK

Located at 7255 Bell Road, the 133-acre property is on the southeast side of Bell Road, opposite Old Homestead Trail. From Bell Road, the property extends southerly to the Chattahoochee River where the full property has 1,923 feet of frontage along the river. The property is bordered to the west by Cauley Creek and to the east by the Rogers Bridge trail.

The property is mostly open with some wooded fringe areas. Based on FEMA maps, approximately 10% of the acquisition property appears to be impacted by flood plain adjacent to the Chattahoochee River and Cauley Creek. Current improvements on the acquisition property include a single-family residence that fronts Bell Road, the Cauley Creek Water Reclamation Plant, and gently rolling to flat fields equipped with an irrigation/spray system designed to disperse the treated, reclaimed water.

TECHNOLOGY PARK LINEAR PARK ACQUISITION

Located on the east side of Medlock Bridge, between Johns Creek Parkway and East Johns Crossing. The 20-acre property is anchored by two lakes.

The elongated, irregular shape of the property provides both improved accessibility (allowing multiple access points) and an ideal opportunity for a perimeter loop trail. The water provides a destination-type attraction and the existing sidewalk and trails around the lakes could be improved and connected to the Johns Creek Greenway along Medlock Bridge Road.

The city needs your help to develop these properties into parks. Check johnscreekgov.org for the latest information and notices of public meetings for park planning.

NON-PROFIT PARK ASSOCIATIONS

The City's Recreation & Parks Division partners with several non-profit park associations that provide a variety of recreational programs and park improvements:

AUTREY MILL NATURE PRESERVE ASSOCIATION

Provides year-round nature, historic, and scout badge programs, camps, and concerts.
